THE 116th ANNUAL REPORT of the Committee.

To the Governors and Friends of the Hospital.

The Committee have pleasure in presenting to the supporters of the Hospital their Report for 1943, which must again be considerably curtailed in the interests of war-time economy.

HONORARY MEDICAL & SURGICAL & NURSING STAFF.

The Committee tender their sincere thanks to the following members of their depleted Staff, without whose co-operation, often under difficult circumstances, the work of the Hospital could not be maintained:—Dr. J. R. W. Richardson and Dr. G. W. Hinchliff (Physicians); Mr. T. J. Cobbe and Mrs. G. M. B. Toland (Surgeons); Mr. C. H. Adamson (Ear, Nose and Throat Department); Dr. Morton Kahn (Radiologist); Mr. V. G. Smith (Dental Surgeon); and Dr. T. J. Nicholl (Ophthalmic Department).

Dr. Nicholl very kindly came to our assistance when the services of Dr. T. M. O'Neill, of Canterbury, were withdrawn, and we are indebted to Dr. Nicholl and the Local Authorities for their help in enabling the Department to be kept open.

In December, Dr. Richardson, who had resided at Waldershare for over three years, and who had greatly assisted us when a House Surgeon was unobtainable, left to get married, and it was decided to advertise for a Resident Medical Officer. We were more fortunate on this occasion, and Dr. Iain MacLean took up his duties at Waldershare in February. The Committee take this opportunity to record their thanks to Dr. Richardson for his many acts of kindness to the Staff and Patients during his residence at Waldershare and for his professional services generally.

The Committee also thank the following for their continued valuable services:—The Matron and Nursing Staff; Miss Young (Masseuse); and Mr. Petchey (Dispenser).

MEDICAL REPORT.

Owing to the increased cost of various necessary commodities and the higher salaries paid following on the adoption from the 1st April last of the Rushcliff Scale of salaries, the cost per diem of treating In-patients has risen slightly, and the cost per Out-Patient is still high. The latter can be understood when it is realised that the Out-Patient Department is run as an entirely separate block.

The following statistics, together with the full Medical Report, which appears on a subsequent page, shows the position:—

	1941.	1942.	1943.
Average cost of each In-Patient per week	5 17 10	4 9 10	4 11 7
Average cost of each In-Patient per diem	16 10	12 10	13 1
Average total cost of each In-Patient	13 8 0	11 10 0	11 9 0
Average cost per occupied bed	307 0 0	235 0 0	239 0 0
Average residence per In-Patient	15.9 days	17.8 days	17.5 days
Average number of In-Patients per bed	23	20	20
Average cost per Out-Patient	19 4½	17 8	13 0
Average cost per Out-Patient attendance	3 3½	3 5	4 3

THE FINANCE OF THE HOSPITAL.

Last year the Income and Expenditure Account showed a balance in hand of over £2,000, and it was then pointed out that had not the sum of £6,000 odd been received in legacies there would have been a substantial deficiency. This year the income from Legacies has been £1,100, and the accounts show a deficit of £2,172 15s. 2d.

The Ordinary Income received by the Hospital during the year is little more than half the ordinary Expenditure on the maintenance of the Hospital. This expenditure is rising annually, and it now costs well over £13,000 per annum to run the Hospital, in spite of the fact that the Committee have done everything in their power to keep the expenses as low as possible.

It is sincerely hoped that everybody will continue to support the Hospital by giving as large a subscription or donation as they are able, and to collect funds whenever possible, so that the income may be increased in the coming year and the deficit reduced.

The Committee wish to thank the Subscribers and Donors and the Collectors and others who are still supporting the Hospital in such a generous manner.

LEGACIES.

- £50 under the Will of Mrs. E. A. Jezard, deceased.
- £500 under the Will of Miss Edythe Hart, deceased.
- £250 under the Will of Mrs. E. A. B. Burden, deceased.
- £300 under the Will of Mrs. Ida Winthrop, deceased.

DOVER HOSPITAL WORKERS AND JOINT BOX COMMITTEE.

This Committee has again not only carried on its work, often under very trying circumstances, but the amount handed over to the Hospital shows an increase on the previous year, and Mr. W. G. Jeffery and all his collectors and subscribers are indeed to be con-

gratulated on the substantial aid given to our funds, and we wish the scheme every success in the future.

LINEN LEAGUE.

The Countess of Guilford, in presenting her Report, mentions that 1943 was the twenty-fifth year of the work of this League inaugurated by her. Lady Guilford has again carried on the work single-handed during the past year, and the total subscriptions and donations show an appreciable increase over the previous year, and the support of all concerned is truly appreciated. Lady Guilford is indeed to be congratulated and can be assured of our great gratitude for all her work and interest on behalf of the League. The Committee also thank Mrs. Davies most sincerely for her continued visits to Waldershare to repair the linen.

CONCLUSION.

Lastly, the Committee wish to place on record their appreciation and thanks to all who have assisted the work of the Hospital by service, donation and gifts. Special mention must here be made of the Earl and Countess of Guilford for their continued kindness to the Patients and Staff and for their general interest in the Hospital, which is greatly appreciated by all concerned. The thanks of the Committee are also tendered to the Rev. J. W. Horsley and the Rev. J. Prankerd for their services as Chaplains; to the Hon. Auditors; the Hon. Treasurer; the General Secretary and her Assistant; and to the local Police and the Press.

H. T. HAWKSFIELD,
Chairman of the Committee.

We have Audited the foregoing Balance Sheet with the Books and Vouchers of the Hospital, and have received all the information and explanations we have required. In our opinion such Balance Sheet shows a correct view of the Hospital's affairs, according to the best of our information and the explanations given to us and as shown by the Books of the Hospital.

Dover and Canterbury.
